देनहारो कोऊ और है देत रहत दिन-रैन।  
लोग भरम हम पै धर ताते नीचे नैन ॥

## President's Message

**Mrs. Suman Didwania**

Vedanta Foundation is determined to impart quality education and provide livelihood opportunities to less privileged and aims to make a difference through healthcare, education, skilling, and livelihood programs.

At Vedanta Gurukul Public School established in the year 2008, we are committed to provide a conducive environment for education focused on shaping children into Leaders of tomorrow.

Over the journey of 15 years, the school has grown from a primary school with only 119 students to a Senior Secondary School with around 2000 students.

The faculty and staff at VGPS are working continuously to ensure every student reaches their highest potential in all areas of school life.

We believe that classroom education is not sufficient for overall development of students, hence an integrated teaching methodology is followed at our school, where along with the academics, value-based education and new age skills are imparted during their tenure at school.

Vedanta Gurukul Public School ensures students are academically successful, culturally creative, and independent by the time they leave the school.

The continuous excellent academic board results encourage us to move ahead in this journey of providing quality education at an affordable cost.

As the new student start their academic journey with us, we wish them all the very best!!

**Suman Didwania**  
Executive Trustee, Vedanta Foundation

## From the Desk of Principal

**Yogesh Kumar Sharma**  
Principal

Vedanta Gurukul Public School (VGPS) is a pioneer institute run under the aegis of the Vedanta Foundation, intending to provide quality education at an affordable cost to underprivileged students. VGPS is committed to nurturing young minds.

VGPS provides state-of-the-art infrastructure, and a healthy and vibrant environment conducive to learning. We offer a comprehensive academic curriculum supported by a system that encourages each child to be logical, critical, and analytical in thought and application. Academics are brilliantly blended with co-curricular activities so that the inborn talents of children can be brought out and fostered.

VGPS family is proud of the numerous milestones achieved by our alumni. Their achievements continue to motivate and inspire our students to dream big as well as achieve them. These milestones are being achieved due to the guidance and support of management, committed & dedicated teachers, and co-operative parents.

I am very sure that these collaborative efforts of the VGPS Team will continue in the future as well and together we will achieve new heights.

**Yogesh Kumar Sharma**  
Principal

## Introduction

Vedanta Gurukul Public School one of the old private schools of Reengus region was established in 2008. VGPS affiliated to RBSE is a Co-educational English Medium School located in the heart of the town Reengus. VGPS has excellent facilities and infrastructure at par with the best schools of the region.

At VGPS we aim at providing quality education at an affordable fee. We are committed to provide education as per needs of the individual child, thus helping him to grow into self-sufficient and successful individual equipped with life skills required to meet the dynamic needs and challenges of the world.

VGPS encourages students to develop, show and grow their talent in a stimulating creativity charged and purposeful environment that blend smoothly with ancient traditional values and the latest concept of education.

Thus the school is instrumental in yielding distinguished professional in different fields from this region.

Academics and Co-curricular activities at VGPS aims at

- Developing cognitive skills in tiny tots by play-way method.
- Developing creativity, logical thinking & analytical abilities.
- Facilitate education by the use of audio-visual, e-learning and other teaching aids.
- Focus on all-round development of students.
- Developing effective written and spoken communication skills
- Developing Inter-personal, team management and leadership skills.
- Strengthening home-school connection for effective learning process

The main objective of the school is to make students contributive human resources and a responsible & successful citizen.

## Academics

- The conducive learning environment for excellence in education by ensuring Individual attention.
- Innovative methods and strategies are adopted for teaching with an emphasis on conceptual and practical learning.
- Efforts to make education a joyful, happy, and rewarding experience.
- The slow learners are given extra special attention for necessary improvements.
- Special classes for gifted bright students to further boost their performance.
- Scholarships are being provided to meritorious students from class IX onwards
- Emphases on holistic development of the child through participation in various co-curricular activities.
- Learning process for students of various sections as per their needs and requirements.

## Foundational Stage: Play Group, LKG, UKG, I & II

Education in the early years is vitally important for the children to acquire basic skills. It is important that foundations are laid on which future learning can take place. In line with New Educational Policy 2023, in this stage of early grooming, a child's cognitive skills are developed by the play-way method. Classrooms are like playgrounds where tiny tots play to learn and learn to play. At VGPS we have well designed, elegantly furnished classrooms with colorful and comfortable furniture, safe swings, slides, and interactive smart boards keeping the toddlers creatively busy. The students receive tender care and mentoring from our experienced faculty.

## Preparatory Stage: Class III to V

In the Preparatory stage of learning student's primary skills for learning are nurtured. Basic knowledge of languages English and Hindi along with basic Mathematics and General Science is imparted to lay the foundation for the middle and secondary stages. The students additionally are introduced to analytical abilities through an activity based curriculum.

## Middle Stage: Class VI to VIII

In this third stage of schooling, apart from academics, the child is also involved and encouraged to participate in extracurricular activities, cultural programs and excursions for his holistic development. Along with the conventional education, the third language Sanskrit is taught at our school. A balanced approach between academics and extracurricular is adapted while teaching the students at this level.

## Secondary Stage : Class IX to XII

In the secondary stage of schooling initially, necessary awareness is created in every child for building a solid foundation in-line with career plans. As of date, the school offers Science, Commerce & Art stream in classes XI & XII. Taking education to another level vocational skills will be introduced from the academic session 2023 -2024 to prepare the students for the 21st century challenges.

## Co-Curricular Activities

Every activity in school life plays a significant role in the development of students. Co-curricular activities are an essential part of school life and help in enhancing learning process of students at school.

## Art & Craft

At VGPS the inherent creativity of students is enhanced through the Art and Craft periods where students explore their imagination and creative side. The students learn to make useful and decorative objects on their own by using simple tools like colors, papers, clay etc.

## Music & Dance

VGPS encourages students to learn music, performing art & dance to enhance their talent and experience joy in day-to-day life under the guidance of professionals. It not only helps in the blossoming of an individual personality but also aids in developing self-expression, creativity, patience, concentration, memorization, etc.

## Cultural Activities

Students learn through cultural events such as national events and festival events from different faiths like Gandhi Jayanti, Independence Day, Republic Day, and festival celebrations like Diwali, Eid, Baisaki, Onam, Raksha Bandhan, and many other cultural events.

At VGPS regular religious and national festivals are organized to create awareness among young ones about our culture, traditions and spirit of patriotism.

## Debate

Debate, a formal discussion on a particular topic enhances the ability to structure and organize thoughts of the debaters. It increases learners' confidence, poise, and self-esteem thus developing effective speech composition and delivery. Debate is an integral part of the school curriculum.

VGPS School organizes district level inter-School Debate Competition in every academic session. It instills in debaters a great sense of poise and confidence. It teaches them the skills of researching, organizing, and presenting information in a compelling fashion.

## Games & Sports

Games & sports forms an integral part of the school curriculum to create a competitive attitude & team spirit among students. Each child is encouraged to participate in one or more sports or activities of his choice. The school has spacious infrastructure for Badminton, Table Tennis, Volleyball, Martial Arts, Chess, Carom, etc. Inter-house competitions are organized for - various games & sports. A few selected students are trained to represent the school in the external activities and competitions organized by different societies and institutions.

## Excursions and Education Tours

The school includes educational trips and excursions as part of the curriculum to provide students the joy of discovery and opportunity to learn new things through travel. Educational tours are a great way for students to absorb, interact and to grasp theory practically.

## Admission Guidelines

- The admissions for the academic session of the school begins in the first week of April every year.
- Registration of the candidates is to be done before admission.
- The child will appear for an interview and/or admission test.
- It is essential that an authentic Birth Certificate, TC, and Aadhar Cards be produced at the time of admission.
- Incomplete forms are not accepted.
- The head of the institute reserves the right to admit or reject a candidate without assigning any reason thereof.
- The parents are requested to pay the fee in time as per the fee schedule else the name of the child will be struck off.

### Examination & Promotion

- There is continuous evaluation of students in-line with guidelines issued by RBSE.
- 75% attendance is compulsory.
- In case of grave illness, a medical certificate to the effect shall be produced by the parent.
- Those students who remain absent in the examination of any subject shall not be re-examined and shall not be awarded any position.
- Answer sheets for the final examination will not be shown.

The Result declared at the end of the academic year is final and no request for re-examination shall be entertained.

## Glimpse of Vedanta Gurukul Public School

## Vision

To empower, shape, develop, and nurture the potential of each child through innovative and value-based education making him a responsible citizen of our country.

## About Foundation

Vedanta Foundation, the philanthropic arm of Vedanta Resources, was established in the year 1992, in line with the founding family's mission of giving back to society.

Vedanta Foundation has constantly contributed to the making of a world where access to Education and Livelihood is not a privilege. At the heart of the Foundation's efforts is a deep and abiding commitment to nation building and to the upliftment of the poor and marginalised.

Through its initiative Vedanta Shiksha and Vedanta Rojgar, the foundation has constantly contributed to the making of a world where access to Education and Livelihood is not a privilege.
